

Hibiscus Silk Leave-In Conditioner

herb-infused conditioner and detangler

Ingredients

- 1 tablespoon Hibiscus Powder
- 1 tablespoon Marshmallow Root Powder
- 8 ounces distilled water
- 12 ounces of Aloe Vera Gel 1:1
- 1 teaspoon Oat Straw Extract 10:1
- 1 tablespoon Silk Peptide Powder
- 1 teaspoon (5ml) Neroli Essential Oil
- 1 teaspoon (5ml) Polysorbate 20
- 1 teaspoon (5ml) Grapefruit Seed Extract

This recipe makes about sixteen ounces.

Directions:

1. Combine the Hibiscus Powder and Marshmallow Root Powder in a heat-proof bowl or beaker. Mix in eight ounces of boiled water, and allow to steep for thirty minutes.
2. Strain the infused water through several layers of cheesecloth to remove the powders. The solids can be discarded.
3. In a small bowl, whisk together the Oat Straw Extract and Silk Powder with a few tablespoons of Aloe Vera Gel. Add enough Gel to create a smooth paste, then add the rest of the Gel slowly, stirring continuously as the ingredients are combined.
4. In another small container, combine the Neroli, Polysorbate 20, and Grapefruit Seed Extract. Make sure that the ingredients are fully blended together.
5. Combine the infused water with the Aloe Vera mixture and the Essential Oil mixture. Mix well to make sure that the ingredients are well dispersed throughout the mixture.

Usage & Packaging

- The bulk of this recipe should be stored in your refrigerator. A large glass bottle would be ideal. A small glass spray bottle can be kept in the bathroom for daily use. Try our 2 Ounce Cobalt with Sprayer.
- Spritz damp hair liberally with the conditioner before brushing.
