

# Black Castor & Argan Overnight Scalp Serum

an intensive moisturizer for hair and scalp

## Ingredients

- 1/4 cup (60 ml) Organic Coconut Oil
- 3 tablespoons (45 ml) Organic Babassu Oil
- 1 tablespoon (15 ml) Organic Virgin Argan Oil
- 1 1/2 teaspoons (7.5 ml) Jamaican Black Castor Oil
- 1/2 teaspoon (2.50 ml) Arnica Total CO2 Extract

This recipe makes about 4.25 ounces (130 ml)

## Directions:

1. Warm the Coconut and Babassu Oils gently using a double boiler or a hot water bath until the oils have completely melted.
2. Combine the melted Coconut and Babassu Oils with the Argan Oil, Black Castor Oil, and CO2 Extract in a 4-oz. dropper bottle. Shake well.

## Usage & Packaging:

- This serum looks wonderful packaged in our 4-oz. Amber Dropper Bottle. This rich serum may solidify in cold weather. To gently melt the oils, place the sealed bottle in a bowl of hot water for several minutes before use.
- Apply liberally to freshly cleaned and towel-dried hair, starting at the scalp. Gently massage the oil into the scalp for several minutes. Cover hair with a shower cap and leave on for at least one hour or overnight for intensive conditioning. Rinse, then follow with shampoo once (or twice) if needed.
