

Emulsified Scrub Base

A moisturizing rinseable base for body scrubs

Ingredients

- 3 ounces (90 ml) Coconut Oil, RBD
- 3 ounces (90 ml) Cherry Kernel Oil
- 3 ounces (90 ml) Apricot Kernel Oil
- 3 ounces (90 ml) Blackcurrant Oil
- 3 ounces (90 ml) Murumuru Butter
- 3 ounces (90 ml) Aloe Vera Oil
- 2 ounces (60 ml) Emulsifying Wax

Makes about 20 ounces (600ml)

Directions:

1. In a double boiler, heat Coconut Oil, Murumuru Butter, and Emulsifying Wax until fully melted.
2. Whisk in remaining oils, then remove from heat.
3. Allow base to cool to room temperature before adding exfoliants.

Notes:

1. Aromatic ingredients should be added according to their own usage rate. (For example, 1-2% for Essential Oils)
2. Exfoliants can be added to preference. You'll probably need between 2 - 4 cups of exfoliant per batch of base.
